Good choice for Jumble Lovers and Crossword puzzle fans By Brigitte DeHart very good and clear and easy to read presentation; more difficult than I expected - (but am working my way up to it). Have surprised myself by being able to figure out the mystery answers from the cartoons. Right now, just a matter of getting into a routine of how to solve them and to use determination and willpower to stick with the difficult ones. 0 of 0 people found the following review helpful. Fun for solvers By Ronald T. This is another in the series of great Jumble books. 0 of 0 people found the following review helpful. Smooth transaction By L. H. Davis My wife loves these. There is one Jumble per page, and lots of pages. The paper quality and construction of the book is quite good. Delivery was on time and it was safely packaged.
