Tribune Media Services : Jumble Explosion: A Puzzle Boom (Jumbles) before purchasing it in order to gage whether or not it would be worth my time, and all praised Jumble Explosion: A Puzzle Boom (Jumbles):

1 of 1 people found the following review helpful. Like the good old days By Diane Pope These puzzles are styled just like they have always been in the newspaper. Which is great because I'm buying them for a 93 year old woman that has taken the newspaper all of her life and delights in having her daily puzzle. I'm sure the large print helps too even though she doesn't wear glasses. I've had fun buying different jumble books for her. 1 of 1 people found the following review helpful. Great Product and Service! By MonGEI I've been buying these Jumble Puzzle books for my mom for every birthday and Christmas for a few years now. She loves them because she says they help to keep her mind working now that she's in her late sixties. I'm glad I can buy a bunch of these at a time on since they aren't available where I live. For this particular order I received some excellent customer service. I noticed it was taking a little bit longer than usual for my items to ship so I contacted an customer service rep via chat. No questions asked, the rep immediately expedited my international shipping and I received this order a few days later. Just one of the many

reasons I love !2 of 2 people found the following review helpful. This is a nice collection of jumblesBy Sue in
MOThis is a nice collection of jumbles. Large print, one jumble per page. The answer in the back is harder to read for those with limited sight.

Offering three levels of puzzling, with "Classic Puzzles," "Daily Puzzles," and "Challenge Puzzles," this collection provides hours of word descrambling entertainment. For more than 40 years, millions of newspaper readers have delighted in solving Jumble, which appears in hundreds of national papers and in these puzzle books that offer hours of challenging wordplay and fun. Each page features a series of mixed-up words coupled with a cartoon clue, and one letter from each word is used to form the answer to the puzzle.

About the AuthorTribune Media Services distributes media products in a variety of languages and formats,including news, comic strips, television listings, and other information services, to international publications.
