Tribune Media Services : Jumble Genius (Jumbles) before purchasing it in order to gage whether or not it would be worth my time, and all praised Jumble Genius (Jumbles):

The fun way to get neurons firing, this entertaining collection of word scrambles is as humorous and entertaining as it is tantalizingly tricky. For more than 40 years, millions of newspaper readers have delighted in solving Jumble, which appears in hundreds of national papers and in these puzzle books that offer hours of challenging wordplay and fun. Each page features a series of mixed-up words coupled with a cartoon clue, and one letter from each word is used to form the answer to the puzzle.
