There are 180 puzzles in this book with a couple of levels of "difficulty". The book is the size of a coloring book and has a little larger print. I rated this 3 stars because of the weird font in this book and the circles to write your answers are on the small size, but also, this particular book, I have never seen more puzzle answers that didn't seem to make much sense. (Maybe these were some of the first puzzles ever done.) I have done about 20 of these jumble books and they always have bigger print and bigger places to write out your answers, which I really like. The writing is smaller in this book (than others) and didn't always print well. You will STILL ENJOY doing the puzzles in this book - however, for recommendation, this would be at the bottom of my

She works the puzzle everyday in her newspaper and takes these books with her on trips and to appointments where she might have to wait. They are perfect for her!0 of 0 people found the following review helpful. Great fun for one or two.By Jeffrey B.These jumbles won't disappoint. Great fun for one or two.

Puzzle enthusiasts will be mystified by this new collection of Jumble puzzles. For more than 40 years, millions of newspaper readers have delighted in solving the daily Jumble, which appears in hundreds of national papers and in these puzzle books that offer hours of challenging wordplay and fun. Each page features a series of mixed-up words coupled with a cartoon clue, and one letter from each word is used to form the answer to the puzzle.
