There are 180 puzzles in this book. The book is the size of a large coloring book and has large print. There are a couple levels of difficulty of the puzzles. Hours of fun and helps keep the mind sharp. If you enjoy doing the jumble puzzles in the paper, you'll enjoy this book. (I've done over 20 of these puzzle books - can't get enough!)

I bought this for my mother. She loves to do puzzles and loves the Jumble puzzles. They are so well done and provide many hours of fun.

Cooking-inspired and perfect for traveling, this collection of challenging and enticing word puzzles celebrates the

classic fun of Jumble puzzles with an entertaining and relatable food and kitchen theme. For more than 40 years, millions of newspaper readers have delighted in solving Jumble, which appears in hundreds of national papers and in these puzzle books that offer hours of challenging word play and fun. Each page features a series of mixed-up words coupled with a set of clues and themed images, and one letter from each word is used to form the answer to the puzzle.
