Tribune Media Services : Jumble See Search 2 before purchasing it in order to gage whether or not it would be worth my time, and all praised Jumble See Search 2:

0 of 0 people found the following review helpful. still fun By DVD watcher I had to be in a little different "mind set" to do these jumbles. I really like doing jumble puzzles but for some reason the pictures throw me off. There aren't as many puzzles in this book as there are in a regular jumble puzzle book, however, each puzzle does have 2 (and some 3) puzzles to figure out. There is the regular puzzle to figure out and then the "bonus" puzzle(s) so that would bring up the amount of puzzles to do. Enjoyable 0 of 0 people found the following review helpful. Addictive By Lisa M So much fun, make a great gift 0 of 0 people found the following review helpful. Disappointing, Surprised in an awful way

againBy Bill Noonjust as the first See Search, this one also stopped having the usual "question and answer" after the first 3 chapters! The rest is only "There is a _____ in the picture" and other similarly, unbelievably, simplistic bland prompts and bland "answers". Those are not the promised "Question and answer mysteries" anymore!

A visual twist on the witty classic with all new illustrations and scrambled words, this humorous puzzle collection follows up the popular original See Search that took wordplay fun beyond the usual Jumble format. For more than 40 years, millions of newspaper readers have delighted in solving Jumble, which appears in hundreds of national papers and in these puzzle books that offer hours of challenging wordplay and fun. In this unique take on the original, each page spread features a lighthearted illustration beside a series of mixed-up words to unscramble based on hints found in the picture. The final challenge is a question-and-answer mystery formed from one letter from each unscrambled word.
