There aren't as many puzzles in this book as the regular JUMBLE puzzle books, HOWEVER, each of these puzzles has at least 2 puzzles to figure out and some have 3, so overall, there are probably the same amount. Fun puzzles to keep your mind sharp. 0 of 0 people found the following review helpful. Quality product that is easy to use By Diane Pope I've been purchasing these jumble books for an elderly lady. They are just perfect for her. I might consider having one puzzle per page to be a waste. She enjoys them immensely. I'm looking forward to seeing what her reaction to the unique feature of this book will be. 0 of 0 people found the following review helpful. Five

A visual twist on the witty classic, this humorous puzzle collection offers a new level of fun beyond the usual Jumble format. For more than 40 years, millions of newspaper readers have delighted in solving Jumble, which appears in hundreds of national papers and in these puzzle books that offer hours of challenging wordplay and fun. In this unique take on the original, each page spread features a lighthearted illustration beside a series of mixed-up words to unscramble based on hints found in the picture. The final challenge is a question-and-answer mystery formed from one letter from each unscrambled word.
