The book is the size of a large coloring book and has larger print. They've used a couple of different fonts - one of them they use I find distracting but fortunately it wasn't used too much. Hours of fun to keep your mind sharp. 0 of 0 people found the following review helpful. It's a puzzle to me! By Sue Z. Meyerson I love these special editions of the Jumble books. I do the jumble in the NY Daily News every day. I will continue to buy these Jumble books when I come across them.
