Coffee Jumble Workout. I find myself often sitting over an hour working the puzzles. (Long after the coffee is gone) I am not normally a morning person, but this book will get your mind up and running. Challenging, fun, priced right and delivery speed was all good. So I guess I am saying you can "Jumble to your hearts content." I am already looking forward to ordering my next workout book.0 of 0 people found the following review helpful. Loves the Jumble BooksBy L. H. DavisI bought this for my wife, she LOVES the Jumble books and has completed 6 of them so far.3 of 3 people found the following review helpful. Jumbled Words are so much fun when you have a few minutesBy Jean KThe residents in the nursing home

love to work jumbled words and it helps keep their cognitive powers at a better level. The words are written in large enough print for older eyes and the pages easily turn for older hands. Jumbled words also are great when you have a few minutes and need something to do between chores.

Brains will feel the burn with this fantastic puzzle book that stretches and flexes the mind. For more than 40 years, millions of newspaper readers have delighted in solving the daily Jumble, which appears in hundreds of national papers and in these puzzle books that offer hours of challenging wordplay and fun. Each page features a series of mixed-up words coupled with a cartoon clue, and one letter from each word is used to form the answer to the puzzle.
