search. I take it with me every time I fly. I have been fortunate to fly every month and I keep this in my luggage to take with me on the trip. It relaxes as well as stimulates my mind and I find myself covering several puzzles going and coming. I like the fact that each puzzle has a topic which line up with the words that are being searched. Also each puzzle has a Bonus Trivia which test my knowledge about the bible. By the time I finish the puzzles I am at my destination.0 of 0 people found the following review helpful. Great Puzzle EntertainmentBy Judy C. SpainGreat Word Search book purchased for my mother.
