Easy Piano Songs at Your Fingertips By RonaldDerGrosse This is a great book with 200 songs that are easy to play yet a challenge too for a person who has learned the basics and wants something that they can enjoy playing without requiring grueling time to figure the music out or putting it on the back shelf to get to it later after they become a piano virtuoso which most people never achieve. The print is also good for the eyes and the price is right. I bought it as a birthday present for my wife who plays it every day.
