Michael Mepham : Jumbo Sudoku 2 before purchasing it in order to gage whether or not it would be worth my time, and all praised Jumbo Sudoku 2:

1 of 1 people found the following review helpful. Hours and Hours of FunBy Pam L.I really like this big book of sudoku. Most pages have 2 good size grids on them. Some pages have a HUGE single grid. Be aware this is laid out in paperback form so when working the pages on the left (for those of use right handers) you have to contend with that center hump. Of note: The book I received is the exact same title and color; but, it contains 400 grids, not 200. Happy about that. Of puzzlement: I found that some of the "easy" grids were more difficult than the medium and even some of the hard ones. I actually have found a couple of the fiendish grids to be fairly easy to work through. Bottom line, I recommend this book ... just be aware that easy may not be so easy and fiendish may not be so fiendish.0 of 0 people found the following review helpful. I LIKE the two puzzles per pageBy Beth KnickerbockerI LIKE the two puzzles per page. Not too big a grid and not too small. Guess I am Goldilocks because for me "it was just right"0 of 0 people

found the following review helpful. Sudoku FanBy Re ReI love Sudoku and these really large size books have spoiled me. I have electronic versions but find that I still really like the books.

On the heels of the popular Total Sudoku and Jumbo Sudoku, the third installment Jumbo Sudoku 2 includes 400, brand new puzzles. This numerical brainteaser is positively addicting! This collection, which ranges in difficulty from gentle through the tough to the diabolical, is the most extensive on the market. JUMBO SUDOKU 2 has oversized grids so you have extra room to help you solve. Sudoku puzzles continue to be picked up in top newspapers across the country and are featured in USA Today, NY Post, Washington Post and the LA Times with many more sure to follow. With so many different puzzles to choose from, Sudoku is sure to appeal to puzzle-fans of all levels
