Richmal Crompton : Just William: Volume 1 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Just William: Volume 1:

0 of 0 people found the following review helpful. The start of William's adventures and it's really good. By Michelle M This was an entertaining audio book, its the first in the series and is a lot of fun. Martin Jarvis is a talented narrator who not only differentiates between the various characters but conveys the various emotions through his tone and voice. I like the fact that this is about children in a more innocent time when they were given more freedom and could be more independent. This is basically 10 short stories about William and his family and friends. I really liked this book and would recommend it for adults and children. 1 of 1 people found the following review helpful. So funny! By Dove We love listening to Martin Jarvis reading this Just William series, because he captures the characters' voices so perfectly - it's just hilarious. My 12 year-old daughter listens to it over and over while playing or doing stuff around the house. The stories are kind of old fashioned Brit which we love, and I definitely think they would still appeal to most kids today of varied ages, especially when you hear them read so beautifully. Parents would absolutely love them! Only disappointment - disc took an unusually long time to arrive. Maybe it was an import or something!

Described by the Daily Telegraph as the wizard of the talking book, Martin Jarvis has made the voices of William and his gang of outlaws his own in these marvelous readings. Roar with laughter as the lovable rogue, hampered by the loathsome Violet Elizabeth, wreaks havoc in this hilarious collection. Includes the following stories: 'The Christmas

Truce'; 'Only Just in Time'; 'The Midnight Adventure of Miss Montague'; 'William and the Musician'; 'William Leads a Better Life'; 'William and the Twins'; 'Williams Birthday'; 'William and the Little Girl'; 'The Outlaws and Cousin Percy' and 'William and the Princess Goldilocks'. There's nothing to touch them - Independent on Sunday. 2 CDs. 2 hrs 30 mins.

About the Author Richmal Crompton was born in Bury, Lancashire, in 1890. She was educated at St. Elphin's School and studied Classics at Royal Holloway College before becoming a schoolmistress. However, her teaching career was cut short by an attack of polio in 1923, which confined her to a wheelchair. She became a full-time author, and wrote over 40 books for adults, but she is best known for her hugely popular Just William books. William first appeared in 1919 in a short story for Home Magazine. The first collection featuring him was published in 1922, and he went on to star in 38 further books (the final one, William the Lawless, was published posthumously in 1970). They have sold over 12 million copies in the UK alone, been translated into nine languages and remain enduringly popular today.
