Richmal Crompton : Just William: Volume 6 (BBC Radio Collection) (No. 6) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Just William: Volume 6 (BBC Radio Collection) (No. 6):

Acclaimed as the wizard of the talking book by the Daily Telegraph, Martin Jarvis has made the voices of William and friends his own in these marvelous readings. You'll roar with laughter as the lovable rogue and his gang of Outlaws wreak havoc - hampered by the loathsome Violet Elizabeth Bott. The stories in this collection include: That Boy; The Bishops Handkerchief; William and Uncle George; The Haunted House; William and St Valentine; April Fools Day; Not Much; The Cure; Williams Wonderful Plan; The Outlaws and the Penknife; William the Reformer and Williams New Years Day. There's nothing to touch them - Independent on Sunday. 3 CDs. 3 hrs.

About the Author Richmal Crompton was born in Bury, Lancashire, in 1890. She was educated at St. Elphin's School and studied Classics at Royal Holloway College before becoming a schoolmistress. However, her teaching career was cut short by an attack of polio in 1923, which confined her to a wheelchair. She became a full-time author, and wrote over 40 books for adults, but she is best known for her hugely popular Just William books. William first appeared in 1919 in a short story for Home Magazine. The first collection featuring him was published in 1922, and he went on to star in 38 further books (the final one, William the Lawless, was published posthumously in 1970). They have sold

over 12 million copies in the UK alone, been translated into nine languages and remain enduringly popular today.
