**Edgar Kaplan, Alfred Sheinwold : Kaplan-Sheinwold System of Winning Bridge** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Kaplan-Sheinwold System of Winning Bridge:

0 of 0 people found the following review helpful. Outdated since 1992 when controlled psyches were banned.By Myron KelleyThe condition of this copy is the worst I've owned, but every word was legible and that's all that matters. As to much of the content,. the system needs revision since the exclusion of the controlled psyche. Still, at 51 years old and out of print, I'm quite pleased to have another copy. I was surprised at how many points I had forgotten.
