Ken Uston : Ken Uston's Newsletters on Blackjack : 1979 through 1981 before purchasing it in order to gage whether or not it would be worth my time, and all praised Ken Uston's Newsletters on Blackjack : 1979 through 1981:

This is classic, vintage Blackjack history. The newsletters take you through the blackjack experiment in Atlantic City after Resorts barred around 170 card counters on "Black Tuesday," January 30, 1979. Ken Uston provides updates of happenings in Vegas, Atlantic City, and casinos around the world as well as updates on Uston's legal efforts. If you enjoyed Ken Uston's "Two Books on Blackjack," or "Million Dollar Blackjack," these newsletters fill in interesting details not mentioned in either. It is fascinating reading for blackjack historians or people interested in Ken Uston's exploits in Atlantic City, Vegas, and elsewhere.
