Kenny Wayne Shepherd : Kenny Wayne Shepherd: Guitar Play-Along Volume 184 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Kenny Wayne Shepherd: Guitar Play-Along Volume 184:

1 of 1 people found the following review helpful. Left out too many lick tabs and left in the licks on play along file..By Bigangbo Bonannodissappointed that the main guitars are played all over the song. Only the solos are taken out.. Between having to download Mp3 files to play back and having the licks played all over each song leaving little room to learn to play the song. Plus allot of the tab for the licks are not included. They need to remake this product and include all of his licks in tab and leave them out on the play back files....
