From G. Schirmer : Keyboard Essentials: A Collection of Easier Works for Piano (Piano Collection) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Keyboard Essentials: A Collection of Easier Works for Piano (Piano Collection):

(Piano Collection). This collection proves that not all of Liszt's piano music is fiendishly difficult. Ranging from easy to intermediate, these pieces span the composer's entire career and stylistic development; they are a perfect

introduction to his music.
