This book focuses on the fundamentals and allows you to build your skills gradually, with structured exercises. I would purchase this book again if I ever misplaced it!2 of 2 people found the following review helpful. Five StarsBy RuthI think this is the best method for teaching piano ever,0 of 0 people found the following review helpful. Best Adult Piano CourseBy CNoteBest adult beginner keyboard book for piano includes all aspects of musical awareness and skills. Technique, reading, theory and repertoire are all thoroughly explained for the serious student willing to read.

Here is a complete repertoire and textbook for the older or adult beginner. Starting with material appropriate for the first lesson, it moves rapidly through discoveries, music and activities equivalent to The Music Tree and Levels 1 and 2. On completing the book, the student is ready for Level 3 of the Clark Library. The book provides quantities of music, all of it selected or composed to appeal to the older student -- Studies (introducing each of 65 new subjects), Repertoire (155 solos and duets), Accompanying and Transposing (62 melodies to accompany and to transpose to all major and minor keys), Sight Reading (107 one-line pieces that review each of the new discoveries and teach sight reading skills). In addition, the 22 units in 208 pages include: Technical Exercises, Rhythm Exercises, Written Work and Improvising. A Glossary at the end defines all new signs and terms introduced throughout the book.
