Henry Purcell, Classical Piano Sheet Music : Keyboard Works (Dover Music for Piano) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Keyboard Works (Dover Music for Piano):

1 of 1 people found the following review helpful. The melodies are beautiful and this repertoire introduce you to the keyboard literature ...By Oscar Laredo Henry Purcell has nothing to envy to any other baroque composer, including Bach, Handel and Scarlatti. The melodies are beautiful and this repertoire introduce you to the keyboard literature and to the refresh of your repertory. 0 of 0 people found the following review helpful. It doesn't sound so great when I play it with the piano By Orso Poppy I wish I have a harpsichord at home. It doesn't sound so great when I play it with the piano. I have to practice more.... I love Purcell. 0 of 0 people found the following review helpful. WONDERFUL BOOK!! SO GLAD TO RECEIVE IT By Synergy I am so thrilled to have this music book! I'm using these pieces to arrange for mandolin. I used to play some of them on the piano.

Renowned for the originality of his music and his gifts as a melodist, Henry Purcell (1659-1695) was the preeminent English composer of the seventeenth century and one of the greatest that nation has ever produced. His gifts are apparent not only in the vocal and orchestral works on which his fame rests, but in his delightful keyboard music, much of which is relatively simple and easy to perform. This volume is a near-complete collection of Purcell's keyboard compositions, including the eight suites, the core of his keyboard works. Also included are many miscellaneous one-movement pieces: airs, trumpet tunes (for harpsichord solo), grounds, preludes, dances, etc. Piano students and pianists of intermediate skills will enjoy these pieces for their charm and accessibility. Gathered here in one convenient, inexpensive volume, they offer a treasury of time-honored music that musicians and music lovers will turn to again and again. This volume has been edited with a preface by the noted music scholar William Barclay Squire.
