**From Hal Leonard Publishing : Kids' Musical Theatre Collection, Vol. 1 (Vocal Collection)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Kids' Musical Theatre Collection, Vol. 1 (Vocal Collection):

16 of 16 people found the following review helpful. Awesome collection! By Marie K. Weir This is a new music book this year and so far, I am very pleased with it and my students love it. As a voice teacher with many years of experience, it has always been a challenge to find a collection of songs with enough variety to appeal to students of varying levels of vocal experience. So far, this book satisfies on so many levels. There are songs for both boys and girls and with enough music selection to progress from early beginner to low intermediate. Recommend this book for children middle school and younger. The CD is also very good. Unlike so many other accompaniment CD's the pianist wasn't afraid to nuance and emote, rather than just play the notes. For an unorchestrated CD, you will be

pleased. WATCH OUT... Check CD IMMEDIATELY upon arrival to ensure it's not damaged in any way. I have received numerous orders from and the majority have been as ordered. However, I have been burned by products that weren't as advertised or slightly damaged, and my laziness cost me in my ability to not be able to return the product. Be careful to shop with a seller that allows for easy returns with no restocking fees. I am able to always find something to buy to get FREE shipping from and then there's never a problem returning. I love this book... hope you do too. 0 of 0 people found the following review helpful. Can't stream music with out an access code. By Mildly amused The new books are listed as though you can stream the music online. We bought a used addition with a missing the cd thinking we could still go to the website to stream the missing music. You can't. There is some sort of access code that is not in the book. In fact, I can't see where you would enter the code on the Hal Leonard website at all. It must be something you get with a new book. The lesson here is don't buy a used book with out the cd thinking you can still hear the music. It makes this pretty much useless to us. We can pull up lyrics and music on line to learn from, but if you want to go to an audition with sheet music/ music you've actually practiced with, a used book with out the cd won't help unless they say they are giving you an access code to download it. 1 of 1 people found the following review helpful. Where is the CD everyone is referring to? By Lisa WI am giving this as a gift to my daughter so I'm not sure if it will be a big hit but I got it b/c all the review refer to the CD that has the accompaniment... my book has no CD, just a website w/ access code. This might not end up being a big deal but I would have preferred a CD so she could use it in her room on her CD player clock radio. I'm just confused since so many of the reviews specifically refer to a CD that comes with it...?

(Vocal Collection). This giant two-volume resource will be indispensable for teachers working with children singing solos. There is a large variety of material, from classic Disney songs to Broadway to movie favorites to songs from "Sesame Street." Each volume has songs for both girls and boys. Volume 1 includes 29 songs from stage, screen and television musicals, these are by far our largest collections of solos for children. Includes access to companion recorded accompaniments available online for download or streaming. Contents: Any Dream Will Do (Joseph and the Amazing Technicolor Dreamcoat) Born to Entertain (Ruthless) The Candy Man (Willie Wonka and the Chocolate Factory) Castle on a Cloud (Les Miserables) Consider Yourself (Oliver!) Cruella De Vil (101 Dalmatians) Ev'rybody Wants to Be a Cat (The Aristocats) Feed the Birds (Mary Poppins) Happiness (You're a Good Man Charlie Brown) I Don't Need Anything but You (Oliver!) I Got the Sun in the Morning (Annie Get Your Gun) I Know Things Now (Into the Woods) I Whistle a Happy Tune (The King and I) I'd Do Anything (Oliver) It's the Hard-Knock Life (Annie) Les Poissons (The Little Mermaid) Let Me Entertain You (Gypsy) Let's Go Fly a Kite (Mary Poppins) Little Lamb (Gypsy) Maybe (Annie) My Favorite Things (The Sound of Music) On the Good Ship Lollipop (Bright Eyes) Part of Your World (The Little Mermaid) Reflection (Mulan) So This Is Love (The Cinderella Waltz) (Cinderella) Tomorrow (Annie) We're All in This Together (High School Musical) When You Wish Upon a Star (Pinocchio) The Work Song (Cinderella)
