Another Delight in the Bible Word Search Series!!!By ShellIBThis newest word search in the series on the book of John is priced a bit higher than previous books and there's a great reason for that, this is one very thick book. I love the cover picture and my Mom is delighting in reading the scriptures and doing the searches. I hope there are new books in the works.0 of 0 people found the following review helpful. My 88 year old mother loved this. I ordered myself a copy.

This ninth puzzle book in our King James Bible Word Search series focuses on the Gospel According to John, the fourth of four Gospels in the Bible. In his introduction to the Gospel of John, Matthew Henry wrote: "Some of the ancients observe that the other evangelists wrote more of ... the bodily things of Christ; but John writes of ... the spiritual things of the gospel, the life and soul of it; therefore some have called this gospel the key of the evangelists." John 3:16, regarded as the Gospel in a nutshell, is almost certainly the most treasured verse in the New Testament: For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. This puzzle book includes the entire Gospel of John, all 879 verses, alongside word search puzzles based on the verses. Featuring JUMBO print, this volume follows the same easy-on-the-eyes format we use in all our King James Bible Word Search puzzle books. This book features: JUMBO print for easy reading, 30-point font size in Garamond and 26-point font size in Arial (large print books usually have 16- to 18-point font size). ALL 879 verses from the book of John. 200 EASY word search puzzles in FULL-PAGE size. A Completion Chart for tracking progress. Ample width and quality binding, allowing the book to stay open easily.
