She was absolutely thrilled with this circle a word book. Its a large size with easy to read verses where you find the word in the puzzle section. Its challenging enough for her needs, and plus, she is able to read verses which makes her even happier. The book is a big hit with many of the residents as its enjoyable

to read and then you find the dark highlighted words. Its a very good quality book that binds well and has a heavy duty type cover and back. The print and puzzle are large enough print for the elderly who may be a bit sight challenged to read with no problems. A very nice puzzle book for all ages and makes reading verses fun and an learning experience,0 of 0 people found the following review helpful. UPDATE: The THIRTEENTH puzzle book in our King James Bible Word Search series, King James Bible Word Search (Hebrews), is available now. Thank you so much for your support! In his introduction to the book of Romans, Matthew Henry wrote, "This epistle to the Romans is placed first [among Paul's epistles in the New Testament], not because of the priority of its date, but because of the superlative excellency of the epistle, it being one of the longest and fullest of all, and perhaps because of the dignity of the place to which it is written." This volume in our King James Bible Word Search series focuses on the book of Romans, this beloved epistle of "superlative excellency." This puzzle book includes the entire epistle, all 433 verses, alongside word search puzzles based on the verses. Featuring JUMBO print, this volume follows the same easy-on-the-eyes format we use in all our King James Bible Word Search puzzle books. JUMBO print, 32-point font size in Garamond and 26-point font size in Arial (large print books usually have 16- to 18-point font size). All 433 verses from the book of Romans. 120 EASY word search puzzles. A Completion Chart for tracking progress. Ample width and quality binding, allowing the book to stay open easily.
