**From Eighth Note Publications : King's March: Military Festival March, Score Parts (Eighth Note Publications)** before purchasing it in order to gage whether or not it would be worth my time, and all praised King's March: Military Festival March, Score Parts (Eighth Note Publications):

Best known to brass players for his orchestral tone poems, the present "King's March" (Knigsmarsch) by Richard Strauss was composed for piano in 1906. The present arrangement for double brass quintet adheres to the original key and retains the powerful, rich harmonies and varied colors of the original orchestral arrangement, altering only articulations and registrations to suit the brass ensemble and avoid the use of auxiliary instruments.
