Lidia Bastianich, Madhur Jaffrey, Judith Jones, Betty Fussell, Deb Perelman : Kitchen Round Table (Candid Conversations Audio Program) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Kitchen Round Table (Candid Conversations Audio Program):

3 of 3 people found the following review helpful. Love this behind the scenes look at TV chef's lives!! By TadzioTours I've often wondered what these chefs on TV cook at home and how they came into their careers. This audio is really insightful, interesting, and fun. You get to hear how Lidia grew up and what her family's attitude to food was like; same with Deb Perelman who I've been reading forever on Smitten Kitchen--she's so funny on her website and just as lighthearted on this audio. It's really like having these ladies over for tea! I love it.
