Mr Geoff Lacey : Knave of Hearts: Entertaining hands from the world of duplicate bridge before purchasing it in order to gage whether or not it would be worth my time, and all praised Knave of Hearts: Entertaining hands from the world of duplicate bridge:

0 of 0 people found the following review helpful. A New VoiceBy BonzodogAt last a new voice in bridge writing! Geoff Lacey writes not as an expert but as an above average player trying to make the most - and sometimes not

succeeding- of a group of hands which could have occurred on any club night. We see him altering his initial line of play as more information becomes available or he has the opportunity to take advantage of an opponent's error. Sometimes he fails. The hands are well chosen, well presented and Mr Lacey has a witty understated style. I learnt more from reading and rereading *Knave of Hearts* than from most bridge books in the last 50 years. *Knave of Hearts: Entertaining hands from the world of duplicate bridge*

Over-the-shoulder descriptions of hands played at duplicate bridge by a new author. Wry, amusing and thought-provoking, containing plenty of good bridge, good writing and good fun. For improving and intermediate club and congress players.
