1 of 1 people found the following review helpful. Quick and FunBy G. HiseThis book is a quick read of fun facts.

Some are more well known than others. Would not pay asking price for just volume 1, but reasonably priced if you buy all three volumes.0 of 0 people found the following review helpful. A browser is better, if used properly.By Mark S.Perhaps one step up from using your time reading ripley's, but perhaps a good step down from reading a decent news feed.0 of 0 people found the following review helpful. Five StarsBy Kindle CustomerI love trivia. Good read.
