From Kalmus Classic Edition : La Boheme: Vocal Score (Italian, English Language Edition), Vocal Score (Kalmus Edition) (Italian Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised La Boheme: Vocal Score (Italian, English Language Edition), Vocal Score (Kalmus Edition) (Italian Edition):

3 of 5 people found the following review helpful. Get the Dover instead. By LostHoosier I'm a graduate student in opera conducting. This score is awful. A reprint of a reprint. Time signatures and tempo markings are almost if not completely unreadable. Some pages have the barline running down the entire page despite there being three separate systems. The English is printed ABOVE the Italian, making it difficult to read, and both are in an identical font. In addition, the staves and systems are cramed so close together, there is a LOT of bumping and absolutely NO room for marking of any kind. I will probably buy the Dover/Ricordi edition La Boheme: Vocal Score to replace this - would have already if I weren't on a tight deadline.

Expertly arranged Vocal Score by Giacomo Puccini from the Kalmus Edition series. This is from the Romantic era.
