From Brand: Ricordi : LA CENERENTOLA CINDERELLA LIBRETTO ENGLISH before purchasing it in order to gage whether or not it would be worth my time, and all praised LA CENERENTOLA CINDERELLA LIBRETTO ENGLISH:

2 of 2 people found the following review helpful. Too many liberties with translation! By S Humfreeze The editors admit to adapting this English translation by restoring certain elements in the text of the fairy tale "Cinderella" as it is known in America - the elimination of the matching bracelets in the Italian libretto by Ferretti, and replacing them with a pair of glass slippers! No where in the Italian does it mention glass slippers. These editors were also more interested in making the English rhyme than presenting a real translation of the Italian. So much of the true meaning, mood, and context is lost. 0 of 0 people found the following review helpful. Five Stars By Nancy Maxwell The translation was excellent and singable.

(Opera). English Only. Translated by Martin.
