La Favorite Critical Edition Worth Its Weight in Score!By @tenorrificThe Ricordi Critical Edition of Gaetano Donizetti's La favorite is a welcome addition to my collection of piano vocal scores. It is scholarly, complete, almost anal retentive in its completeness. The score has both the French and Italian versions of the score for performers, a length written critical introduction, alternative versions of the score as appendices and even suggestions as to vocal embellishments. It has everything one needs to perform this wonderful, almost unknown work except the voices to sing it! Finally, for a Ricordi critical edition, the price is right! Buy, learn and enjoy, especially you bel canto Mezzos, tenors and baritones!
