I would have never known about a lot of the secret passages or weapons without it. Because of this, I will always buy a walkthrough guide.0 of 0 people found the following review helpful. Good game strategy book....By charlesWhat can I say about this Metroid game guide book besides covering everything within the game from start to finish.0 of 0 people found the following review helpful. Five StarsBy Customer100% satisfied

\* Complete coverage of the whole adventure, every pick-up and crevice so you find everything.\* Every move and

weapon detailed to make sure Samus can meet any challenge. \* Winning tactics for each boss battle. What weapons to use, what attacks to expect, and exactly how to blast your way to victory!
