Yes, like someone else said some of the titles and pictures changed to make it more politically correct. 0 of 0 people found the following review helpful. Learn to play the piano a fun and easy way. By mamasita Perfect for me. Easy and fun. Gets you playing songs soon for enjoyment. Progression is good with easy to learn basics. I am starting grade 2. I highly recommend this series. 0 of 0 people found the following review helpful. Three Stars By Alberto Faria Silva Good!

The Michael Aaron Piano Course Lesson books have been completely re-engraved, expanded (adding more definitions of musical terms and more musical pieces), updated (with modernized artwork), and re-edited (with less emphasis on fingerings and more on note-reading).
