Five StarsBy Eric T PrenticeIt's the only course of books I use with students!4 of 4 people found the following review helpful. absolutely greatBy Bentley's FolksThis course has been around for at least 50 years and it is still the best. It has different types of songs to play, of course, but it also has exercises, fingering, theory and more. Great for anyone wanting to learn piano ... more than you would expect to get.0 of 0 people found the following review helpful. Three StarsBy Alberto Faria SilvaGood!
