LloydIf you get lost or stuck or just need a guide to this world this is the book to get you through.7 of 7 people found the following review helpful. Best Strategy Guide!!!By A CustomerThis Strategy Guide is great because:1) It gives information how to create the best party.2) What skills to give to your characters.3) A chapter about the monsters in the game including lists of the monsters in the game.4) A chapter about the items in the game including lists of the items in the game.5) Two chapters which reveal all the secrets of the game (So,if you want to play a fair game, this guide is not for you!).I give this guide 5 stars because it helped me to play the game.

Your quest has only just begun... Detailed info for creating your party Strategies for adventuring and combat Extensive

info on character development Stats for spells and skills Comprehensive atlas of Chedian Descriptions and stats for all items and creatures
