Thomas Dullan : Milkwood: A Strong Club System of Bidding for Tournament Play at Contract Bridge before purchasing it in order to gage whether or not it would be worth my time, and all praised Milkwood: A Strong Club System of Bidding for Tournament Play at Contract Bridge:

This book represents a seismic shift to Contract Bridge bidding methods, bringing fundamental changes not only to sequences starting with a one club opener, but also introducing aggressive pre-emptive bids from two spades through to three hearts to show two-suited hands. The overall intention is the development of an integrated and accurate system of bidding for the aspiring player.
