From Brand: Random House Inc : Mind Games: A Box of Psychological Play (Redstone) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Mind Games: A Box of Psychological Play (Redstone):

4 of 4 people found the following review helpful. Gotta play those mind games. By Customer I was going to order from the used, but didn't want to take the chance of anything missing from the set. The set of categories are nice and can be used in a group setting or alone, which I will use a journal to write down the results of the questions. 1 of 1 people found the following review helpful. Great time and conversation with my children! By marta gonzalez-stitts I gifted Mind Games to my adult children for Christmas. It opened up a new line of communication for us. We all had a great time! 1 of 2 people found the following review helpful. This is so much fun! It is more of a sit down thing ... By Haylerina This is so much fun! It is more of a sit down thing and does require a lot of attention from both/all parties. I tried to bring it to work to throw some fun in during the day, but ended up taking it home to sit down and do it.

Mind Games is a fascinating compendium of playful picture tests, games, and questionnaires that hold a revealing mirror up to your inner self. What's in the box? Three card sets that answer the critical questions: What are you like? What kind of friend are you? What's really going on in your most important relationships? The Abstract Image Game: What you see in the picture may say a lot about you Card tests that reveal your innermost fears and phobias Adam Dants House of Personalities: Which one are you? Questionnaires about your personality, your social life, and your anxieties And much more
