James L. Clark : Mind Magic and Mentalism For Dummies before purchasing it in order to gage whether or not it would be worth my time, and all praised Mind Magic and Mentalism For Dummies:

The beginner's guide to mental magic No rabbits. No wands. Just dozens of first-rate effects, illusions, and tricks guaranteed to amaze. Mind Magic Mentalism For Dummies pulls back the curtain and introduces the secret world of mentalism for the first time. With this book and the included DVD, budding practitioners have everything they need to master some of the most astounding illusions imaginable from exercising psychic powers and reading minds to harnessing mental energy to control fire and bend metal from across the stage. Each effect in the book is presented from three perspectives: what the audience sees, how the trick is performed, and how to present it in a way that thrills spectators, making it the comprehensive, essential guide to blowing your audience away. The DVD includes performances of many of the effects outlined in the book to help readers put the information into action Provides both

introductory-level lessons on the art of performing and a host of great effects that will meet the needs of beginners
Mind Magic Mentalism For Dummies is the essential introduction to this mysterious art that can seemingly provide
readers with the powers of clairvoyance, mind control, divination, and precognition. Note - CD-ROM/DVD and other
supplementary materials are not included as part of the e-book file, but are available for download after purchase.
