Showing off Storm's work in styleBy Russell GillettWow... what an awesome trip through the history of Pink Floyd, by the man who created or helped create so many of the band's iconic album covers and artwork. Not much material from The Wall (and none from The Final Cut), but I knew that going in, as Storm was not involved with those albums. Overall, it's a great tribute not only to an incredible band, but of Storm and his team who worked amazing magic and did much of it the hard way. Highly recommended for anyone who is a fan of Floyd or just great album artwork.3 of 3 people found the following review helpful. SUPERB ARTWORKBy unexpectedloverWhat can I say about this kind of work that hasn't been said before. The information contained in this pages and the artwork is JUST SUPERB. Idela for the Pink floyd die hard fans and graphic designers, you are gonna find a source of inspiration here.2 of 2 people found the following review helpful. Amazing book with incredible

photos!By Detective RiggsThis is a beautiful hard cover book with some amazing photos! I'm blown away by Storm's work and artistic ability he was truly a genius. Would highly recommend this book to anyone who loves Floyd as much as I do!!!

This book features the images from Pink Floyds album sleeves and promotional material designed for the group.
