**Rob Eastaway, David Wells : Mindbenders and Brainteasers: Where Maths Meets Creative Thinking** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Mindbenders and

## Brainteasers: Where Maths Meets Creative Thinking:

Here is an irresistible assortment of 100 maddening mindbenders and curious conundrums, old and new. These brilliant brainteasers range from the neatly lateral to the downright perplexing. From chopping the chocolate to crossing the moat, mystifying matchsticks and a teasing typewriter, *Mindbenders and Brainteasers* provides many hours of mind-stretching enjoyment for even the most agile brains.

About the Author Rob Eastaway is a writer, speaker and consultant. His books include the bestselling *What is a Googly?* (9781861056290) and *Why Do Buses Come In Threes?* (9781861058621). He jointly devised the system now used to officially rank international cricketers and lives in London, where he is a keen weekend cricketer and occasional golfer.
