**Jeff Kid : Minecraft Self Adventure: The Minecraft Pig Adventure: (Minecraft Choose Your Own Story, Minecraft Self Quest, Minecraft Stories for Children)** before purchasing it in order to gage whether or not it would

be worth my time, and all praised Minecraft Self Adventure: The Minecraft Pig Adventure: (Minecraft Choose Your Own Story, Minecraft Self Quest, Minecraft Stories for Children):

Imagine if you were a Minecraft Pig living in a Village, trapped behind a fence. Sounds boring, right? Well, not when that Pig decides to run away from his cage despite of other Pigs and Villagers trying to stop him. He will need to find a way out of the Village first then head out in search for another home. On his way he will get into a couple of difficult situations and meet many different mobs, including Skeletons guarding a Temple, a lonely Zombie Pigman, Zombies walking the Soul Sand Path, a Chicken Jockey, visit the Pigman Island and more! You are there to make decisions on his behalf and help him finish his adventure.
