From Oxford University Press : Missa Brevis Sancti / Joannis de Deo before purchasing it in order to gage whether or not it would be worth my time, and all praised Missa Brevis Sancti / Joannis de Deo:

for soprano solo, SATB chorus, and strings (without violas) and organ This is one of Haydn's most charming small-scale settings, and with its emphasis on accessibility, brevity, and practicality, it was much admired during his lifetime and thereafter. The edition includes Michael Haydn's prolongation of the Gloria. Orchestral material is available on hire.
