Makes it so much easier to separate out who needs to do what each day. I just wish I could have found the regular 12 month calendar instead of the 17 month...those additional 5 months are just wasted for me.0 of 0 people found the following review helpful. Exactly what I wantedBy Karen L. McGinty Exactly what I wanted! Unfortunately it doesn't come with a cattle prod to make me keep up with it on a regular basis, but my laziness is no fault of the product. LOL.0 of 0 people found the following review helpful. LOVE THIS CALENDAR!By A. Mantineo I love this calendar! I buy it every year. I think this was my 4th year in a row. I love how it has a spot for each family member. I use the extra spaces for "all" family events and "misc" like bday's and such. The spaces are small but when you have one for each person you don't really need a whole lot of room. Great calendar for busy families!!

You know you can not live without it! Mom's Floral Manager is the tool for getting your whole family's hectic

schedule organized. Starting in August 2016, this 17-month calendar, with beautiful floral art, starts when the kids head back to school. Specially designed with spaces for up to 7 family members, and a unique feature so that names only have to be written once! Color coordinated stickers included for appointments, birthdays and other important occasions. Printed on premium matte paper, all calendar pages are printed on FSC certified paper with environmentally safe inks.
