From Alfred Publishing : Moonlight Sonata, 1st Movement-Artistic Preparation and Performance (Artistic Preparation and Performance Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Moonlight Sonata, 1st Movement-Artistic Preparation and Performance (Artistic Preparation and Performance Series):

2 of 2 people found the following review helpful. Five Stars By Kay I. Swiger Great suggestions for learning this beautiful classic. Have finally memorized it! 1 of 1 people found the following review helpful. Perfection! By T. Harrison Hands down both literally and figuratively speaking the most inspirational artistic preparation and

performance series of a classic I have encountered.

Artistic performance starts with artistic preparation. The purpose of this series is to guide you through the three learning stages that lead to an artistic performance: "Preparatory and Introductory Practice," "Creative and Efficient Practice" and "Polishing for an Artistic Performance." Background information and history are given for each piece, as well as practice techniques that will teach students how to practice more efficiently.
