From Kalmus Classic Edition : Morceau de Concert, Op. 94: Part(s) (Kalmus Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Morceau de Concert, Op. 94: Part(s) (Kalmus Edition):

0 of 0 people found the following review helpful. One of the Best Pieces for Horn By Jordan Field I love this piece!! I played it for my Solo and Ensemble performance, and I can truly say that I enjoyed working on it every time. There's so much music in it, and yes, it's a very challenging piece, but it's so worth the effort! A caution though; this piece is not one that you just pick up and learn over the weekend, it takes a massive amount of work. But, my constant practice of it had definitely made me a better horn player overall! 0 of 0 people found the following review helpful. Get what you pay for By Holly Smith Printing was very hard to see, it looked like the printer was running out of ink the entire time it was being printed. Page turns are very awkward in the middle of phrases. 0 of 0 people found the following

review helpful. Beautiful!By KentannieOne of the finest horn solos ever written!

Expertly arranged French Horn Solo by Camille Saint-Sans from the Kalmus Edition series. This is from the Romantic era.
