**From Eighth Note Publications : Morceau Symphonique: Solo Trombone and Concert Band, Conductor Score (Eighth Note Publications)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Morceau Symphonique: Solo Trombone and Concert Band, Conductor Score (Eighth Note Publications):

This trombone solo is playable by a very good high school level player (about a grade 4--5 level). It has been recorded by all the great soloists and is a required piece on many competition lists. The powerful and organ-like supporting

material make the remaining ensemble parts interesting and challenging.
