From Eighth Note Publications : Morceau Symphonique: Solo Trombone and Concert Band, Conductor Score Parts (Eighth Note Publications) before purchasing it in order to gage whether or not it would be worth my time, and all praised Morceau Symphonique: Solo Trombone and Concert Band, Conductor Score Parts (Eighth Note Publications):

This trombone solo is playable by a very good high school level player (about a grade 4--5 level). It has been recorded by all the great soloists and is a required piece on many competition lists. The powerful and organ-like supporting

material make the remaining ensemble parts interesting and challenging.
