Audrey Grant : More Commonly Used Conventions (ACBL Bridge) before purchasing it in order to gage whether or not it would be worth my time, and all praised More Commonly Used Conventions (ACBL Bridge):

0 of 0 people found the following review helpful. Perfect KeeperBy Shopper40Audry Grant's bridge books are easy to read and understand. The spiral binding is a real winner. I have all four of the set.0 of 0 people found the following review helpful. Good BookBy PaulThis is a good book for the bridge player. It covers many of the current conventions

that are played at the bridge tables. At the beginning of each chapter, the convention is explained. The chapter goes on to describe the following bids that should be made by opener and responder. Lots of practice hands are shown and explained, indicating when the convention should be used and when it shouldn't. 0 of 0 people found the following review helpful. The sequence of books gives a great understanding of the entire bidding. By Customer The sequence of books gives a great understanding of the entire bidding, play, and scoring for any level of play. I would say these books brought a high level of play even when are one of the top three player in your club.

This book takes the reader through negative doubles, slam bidding, conventional overcalls, two-over-one game forcing, defensive signals, and so much more.
