**Carole Hayman, Lou Wakefield : More Ladies of Letters: Further Adventures in the Turbulent Lives of Vera Small and Irene Spencer (Hit BBC Radio 4 Comedy)** before purchasing it in order to gage whether or not it would be worth my time, and all praised More Ladies of Letters: Further Adventures in the Turbulent Lives of Vera Small and Irene Spencer (Hit BBC Radio 4 Comedy):

5 of 5 people found the following review helpful. More Ladies of Letters is a duplicateBy carcar"More Ladies of Letters" has duplicate content as in the book "Ladies of Letters and More."The titles are deceptive. I thought I was buying additional story line in "More Ladies of Letters." Instead it is the same copy that is included with "Ladies of Letters and More."Save your money and just buy "Ladies of Letters and More."4 of 4 people found the following review helpful. Alan Bennet on acid!By A Customer...Vera and Irene are matronly English women of a certain age who get up to all sorts of picaresque adventures aided and abetted by a cast of dysfunctional offspring, psychics, thieves, ageing lotharios and authority figures. They communicate entirely by letter and these were originally read (rather brilliantly) on UK radio by Prunella Scales and Patricia Routledge. They work very well on the page too and you can really appreciate the superb writing. I think this book would appeal to anyone who likes the sort of observational comedy of UK writers such as Alan Bennett or Victoria Wood.

As heard on the hit Radio 4 series, this book includes the letters of two penpals and provides a hilarious insight into suburban friendships.

"More Ladies of Letters provides us with an invaluable insight into the mindset of the contemporary British pensioner... It is not only an historical document, it is a fascinating glimpse into the private worlds of two extraordinarily ordinary English women." Sue Townsend"About the AuthorBorn in Kent, Carole Hayman is well known as an actress, writer and theatre director. She is author of *The Warfleet Chronicles* and has also written for the *Guardian*, the *Express*, the *Sunday Times*, the *Daily Mail* and had a regular column in the *Saturday Independent* called "My Lofty Life". She devised and co-wrote *The Refuge* for Channel 4, and also created the BBC TV drama series *Rides*. Born and brought up in Leicester, Lou Wakefield is also a writer, director and actress. Highlights of her eclectic career include playing Jackie Woodstock in *The Archers* and TV appearances including *Morse*, *The Bill* and *Casualty*. She has directed *Coronation Street* and *Brookside*, and wrote the award-winning drama series *Firm Friends* for ITV. Both Carole and Lou live in London.
