Garrison Keillor : More News from Lake Wobegon Love before purchasing it in order to gage whether or not it would be worth my time, and all praised More News from Lake Wobegon Love:

13 of 13 people found the following review helpful. Ranking as high as any of Keillor's storiesBy A CustomerThe four stories of "Love", are quite simply genius, capturing the perfect balance between humor and poignancy. "Truckstop" is as good a story as Keillor has ever come up with, profiling the events both before and after Florian Krebsbach leaves his wife Myrtle at a truckstop. "Uncle Al's gift" provide side splitting humor as well as an excellent moral. "Rotten Apples" gives us another insight from Keillor into a child's weord, wonderful mind. And "The Wise Men" provides a glimpse into the difficulties of being a minister, especially at Christmastime. Personally, I would recommend that those considering buying this tape buy the whole "More News From Lake Wobegone" series, but if you're going to buy just one cassette, this is the one!

A thematic collection of Lake Wobegon monologues, Love includes "Truckstop," "Uncle Al's Gift," "Rotten Apples," and "The Wise Men."
