From Hal Leonard Corporation : More Sunday Solos for Piano: Preludes, Offertories Postludes before purchasing it in order to gauge whether or not it would be worth my time, and all praised More Sunday Solos for Piano: Preludes, Offertories Postludes:

4 of 4 people found the following review helpful. Wonderful Blend of Traditional Contemporary -- some beautiful music! By Ted L Lashley Like others in the series, this volume contains arrangements of both traditional hymns and more contemporary worship songs... most all tastefully arranged for intermediate level or advanced intermediate level, in a wide variety of styles... harmonies are often spiced with light dissonances, but in a way that brings a fresh interpretation to the melodies. I used some of the pieces immediately, and many others I have planned for our worship services in the coming weeks, for preludes and offertories (most of the arrangements under the "Postlude" heading can also be used as Preludes or even Offertories, especially if the hymn/song fits in with the scripture, theme, or sermon

topic). I highly recommend the entire collection of 4 books, which is what I purchased. There's some wonderful, useable music in these books, in my opinion!0 of 0 people found the following review helpful. Love it!By Pat HuntAbsolutely gorgeous arrangements.
